

Common App Colleges

Opportunities to upload a résumé may be included on a college’s Writing Supplement or Member Questions page. For some colleges, it’s a specific request for a resume, such as *If you wish to submit your résumé, you may upload it here*. Other colleges may instead ask for additional information; in such cases, a phone call to the university may determine if a résumé is an appropriate upload. (e.g. Princeton: *Please attach a document if you wish to provide details of circumstances or qualifications not reflected in the application*. BU: *Additional Information (optional): Please use this space if you have additional information, materials, or writing samples you would like us to consider*)
